Please read all the instructions carefully and look at the pictures before attaching the holder. It is important this ProClip is placed exactly as shown in the pictures.

1. Use the enclosed alcohol pad to clean the area where the ProClip is to be installed. Press the enclosed gap opener into the gap surrounding the information display panel and the dashboard, to widen the gap. Remove the adhesive tape cover on the ProClip.

2. Press the lower bent part of the ProClip into the gap between the control panel and the dashboard overhang.

3. Press the top part of the ProClip forward and hook the angled top part into the gap next to the gap opener. Press downward on the top part of the ProClip so the adhesive tape attaches properly. Remove the gap opener.

4. The ProClip is in place.
